Since the beginning of the 1930s, with enthusiasm, dedication and effort, four generations have offered the best, healthiest products. Without foregoing that spirit, they transformed, keeping pace with the evolution of their city's commerce, until in 1999 Bio Space was created, now considered one of the foremost supermarkets for organic products in Spain, with more than 9,000 product references at present.

Consolidated as a leader in fresh products, dietetics, hygiene, bio cosmetics and everything that complements a healthy life, maintaining and improving its principles, bearing in mind that the Bio Space concept does not limit itself to marketing its products and definitively covering any food sensitivity – vegetarian, macrobiotic, vegan, celiac, biodynamic, Vegan, raw food,.. but also provides consultancy on them, imparting courses and workshops to inform

BIO SPACE. The Bio Supermarket with the largest range of fresh organic foodstuffs in BARCELONA

and instruct people about the best of organic philosophy.

The company recently incorporated an on-line section, with the best service quality, which is in expansion as demand has led to

the need to extend deliveries on a national and international level, in order to fully facilitate access to this lifestyle, simply and efficiently.

Bio Space's commitment also involves producers, distributors,

professionals of the activities, clients and other aware businesses. All of them comprise and lend meaning to the brand philosophy and make the respect and love of the environment we live in grow day by day.

Bio Space covers any food sensitivity and provides consultancy on them, imparting courses and workshops
