A commitment to the natural solution

Dietéticos Intersa S.A. is a company that has been devoted to the field of DIETETICS, NUTRITION, PHYTOTHERAPY, AROMATHERAPY and NATURAL PHYTOCOSMETICS for over 35 years.

As a result of a desire to have the experience of being a company based on DEVELOPMENT AND INNOVATION of natural products, more than 35 years ago we created DIETÉTICOS

INTERSA S.A. Our aim, which is always present, is to contribute to improving quality of life and to come closer to a better understanding of the needs of the human body.

This understanding enables us to help supplement micro-nutritional and phyto-nutritional needs in special circumstances, thus contributing to improving people's health, always from the

perspective of prevention and under a global or holistic conception in which food supplements form part of a concept of health, nutrition and lifestyle at all times.

Contributing to improving quality of life

Philosophy

Our philosophy is based on QUALITY, from the raw material to the end product. This concept of QUALITY extends to the service and monitoring of the product after it has been put on the market, in accordance with our traceability system.

Offering a high standard of quality and guarantee through our products forms part of our philosophy.

Respect towards our customers and in the trust they place in our company.

Personalising the service dispensed to our customers, in order to try and find the balance between their demands and our possibilities.

Support in education on our products and their holistic concept:

- Training in dietetics
- Nutrition
- Lifestyle

Scientific aromatherapy training. Strengthening innovation and development (I+D).
